Prayer Walk Guide

Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.

Hebrews 4:16

Dear Prayer Partner,

Thank you for humbling yourself in prayer and seeking God's intervention during this crucial season of ministry as we have seen women literally walk across the street to choose life instead of death. Your presence today demonstrates your passion for not only the salvation of lives, but the greater impact that will result in the lives of women and men as they experience the benefits of choosing life.

Now that we have completed over a year of serving the community at this new location, we have been humbled by an increase in overall engagement with clients, walk-in opportunities, and an increase in abortion-minded clients. While we hoped for such in preparing for this transition, there have been so many significant needs that we have been able to address as a result of this new location. The response and impact have been so powerful at times as we have realized that the most active abortion clinic in the region has referred clients to us!

While the goal of ending the cycle of abortion in Forsyth county still lies ahead, we have experienced wonderful progress due to the collaboration of partners like you who embrace the mission before us and resolve to pray fervently. Such advancement will open new doors to share the love and grace of God not only through our current location, but strategically through the use of a mobile unit that we hope to unveil in the coming days! These resources will allow us to impact the areas of greatest need on the East side and anywhere else in which unplanned pregnancies are prevalent. So thank you once again for praying on-site with insight as you saturate our county with prayer for the unborn!

Prayer Prompts

1) **Start:** Unplanned pregnancies happen everyday. As you prayerwalk, keep in mind that a spiritual battle is raging not only in this quiet neighborhood, but across this region. (Psalm 139:14)

2) **Stop lights (top of the hill):** The enemy is always at work but prayer can put a stop to his plans. Pray for the couples or woman that can't shake the feelings of fear and confusion. Pray that God gives them peace and that SPCC can play a role in calming the storm in their lives. Pray that they look to our center and see it as a beacon of hope in their time of crisis. (Ephesians 6:12)

3) **Prenatal Office:** About 1 in every 150 live births have a chromosomal abnormality that causes an abnormal phenotype in the fetus or neonate. Prenatal genetic screening and diagnostic testing provide pregnant women with information that could lead some to consider terminating the pregnancy. Pray for the families who may be receiving a prenatal diagnosis. Pray the Lord will give them the strength they need to seek Him in these decisions and lead them to SPCC and other resources that support life. May they feel the love and comfort from knowing that help is available. (Luke 1:41)

4) **Call Center:** Many abortion clinics use call centers to answer their phones and make appointments. Pray for those moms and their support persons whom are seeking appointments for abortions, or even answers as to what to do in their crisis. Pray that the Lord will reach them through jumbled communications. Pray that SPCC will be used as a resource to reach in and guide the lives of these moms through a missed appointment or an inconvenience in scheduling. (Psalm 18:6)

- We do not know if this call center takes calls for Planned Parenthood.

5) **Abortion Clinic:** Pray for the current abortion workers, that they will be convicted to leave the industry. Pray that the Lord will use SPCC to speak life into them at any opportunity. Pray that SPCC will be the beacon of light across the street that will be their daily reminder that life is precious. (Luke 5:27)

6) **End:** SPCC's ultimate mission is not only to end the cycle of abortion, but to share the love and grace of God. There is no greater gift that we can offer than sharing the good news of Jesus Christ. Pray that God gives us more opportunities to share the good news and that hearts will be softened and receptive even amidst crisis. Pray for truth to be spoken in love by those that have been given the opportunity to speak into the lives of of these women and their families. (Acts 3:19-20)

Scripture

“For where two or three gather in my name, there am I with them.” Matthew 18:20

“Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken.” Ecclesiastes 4:12

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.” 2 Chronicles 7:14

“Let us then approach God’s throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.” Hebrews 4:16

“Surely the arm of the Lord is not too short to save, nor his ear too dull to hear.” Isaiah 59:1

“After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly.” Acts 4:31
