

MISSION STATEMENT

The mission of Salem Pregnancy is to share the love and grace of God and to end the cycle of abortion.

STATEMENT OF FAITH

I believe in God, the Father Almighty, Creator of Heaven and earth; and in Jesus Christ, His only Son Our Lord, Who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. He descended into Hell; the third day He rose again from the dead; He ascended into Heaven, and sitteth at the right hand of God, the Father Almighty; from thence He shall come to judge the living and the dead. I believe in the Holy Spirit, the holy catholic church, the communion of saints, the forgiveness of sins, the resurrection of the body and life everlasting. Amen.

Statement of Principles

1. Salem Pregnancy Care Center (SPCC) is an outreach ministry of Jesus Christ through His church. Therefore, SPCC, embodied in its volunteers, is committed to presenting the Gospel of our Lord to women with crisis pregnancies - both in word and deed. Commensurate with this purpose, those who serve as SPCC Board Members, Directors, and Volunteers are expected to know Christ as their personal Savior and Lord.
2. SPCC recognizes God as the creator of life. Therefore, we are committed to the sanctity of all human life from conception until natural death. SPCC does not recommend, provide, or refer anyone for an abortion or abortifacients.
3. SPCC is committed to providing its clients with accurate and complete information about both prenatal development and abortion.
4. SPCC is committed to integrity in dealing with clients, earning their trust, providing promised information and services, and avoiding any form of deception in its corporate advertising or individual conversations with its clients.
5. SPCC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women can face the future with hope and plan constructively for themselves and their babies.
6. SPCC does not discriminate in providing services because of the race, creed, color, national origin, age, sexual orientation, or marital status of its clients.
7. SPCC offers assistance free of charge at all times.
8. SPCC is committed to creating awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolves it.

9. SPCC does not recommend, provide, or refer single women for contraceptives and is committed to proclaiming the message of abstinence until marriage in accordance with God's Word. Married women seeking contraceptive information are urged to seek counsel, along with their husbands, from a physician.
10. SPCC recognizes the validity of adoption as one alternative to abortion. SPCC is independent of adoption agencies, receives no payment of any kind from these agencies, and does not enter into contractual relationships with them. Adoption agencies are not established under the auspices of this Center.
11. SPCC seeks to aid women who are experiencing emotional problems following an abortion by offering compassionate support, which enables them to work through their loss, as well as information on Post Abortion Stress.

I agree to uphold these values provided in SPCC's Mission Statement, Statement of Faith, and Statement of Principles.
